

# Hiking taxi 2024

The hiking taxi provides all hikers with convenient transportation from mid-May until the beginning of November. Without having to use your own car, the hiking taxi will bring you to numerous trail heads for hikes and alpine tours in Grossarl. The hiking taxi is especially recommended when you plan on crossing to an adjacent valley as well as for hikes spanning several days.

The hiking taxi is marked with the black lines and the public bus with the white dots.
